

Mobile living made easy.

## KOMMEN SIE IN EIN STARKES TEAM

Millions of people around the world buy and use Dometic products. They're RV users, boat owners, truck drivers, campers, outdoor people. And all part of a growing movement – a longing for freedom and adventure, a desire to explore the world and to stay away for extended periods of time. We call it mobile living. Our mission is to make mobile living easy through smart and reliable products with outstanding design.

In support of our Team at the site in 57074 Siegen we are now looking for a

### **Junior Internal Auditor EMEA (m/w/d)**

#### **Main Responsibilities:**

- Support conducting defined audits with integrity in line with international IIA Standards
- Participate in complex audits in EMEA
- Collect, examine, analyze and verify information about the organization's systems and processes by reviewing manuals, policies, reports, financial statements, and other written materials, and by interviewing organizational members where required
- Support development of recommendations for changes to processes and systems that will minimize risk, improve performance and productivity and ensure that the organization complies with all relevant regulations, laws, and standards
- Supporting the preparation of audit reports that accurately document the audit process and its findings in a way that ensures that the content is understood by the receiver
